Also pursuant to 35 U.S.C. §255 and 37 C.F.R §1.323, patentees request that a certificate of correction enclosed herewith be issued for mistakes made by patentees. The mistakes made by the Patent and Trademark Office are tabulated in list 1 and those made by patentees are in list 2.

Support for the requested corrections can be found in the application. The requested corrections for mistakes by patentees are clerical or typographical in nature and do not involve such changes in the patent as would constitute new matter or would require re-examination.

Support can be found on the amendment to claim 2 on page 2 of the amendment dated November 5, 1999 responsive to the Office Action mailed May 10, 1999. In the amendment to claim 2, the term "32 and 33" has been amended to "34". The Examiner has renumbered claims 2 and 34 to be claims 32 and 30 respectively.

In claim 33, delete "A method of claim 32 or 33," and insert instead -- A method of claim 30,--.
